

INFINITE TELEPRESENCE

A division of *Infinite Solutions, Inc.*

Infinite Solutions, Inc.
Solutions for the changing world

**Do More,
Lower Cost.**

Get the benefits of face-to-face interaction and leave the confusion and ambiguity of email and phone conversations behind. Share presentations, documents and multimedia with everyone at the same time, allowing dispersed colleagues to collaborate effectively.

Travel Less.

Connect with your colleagues around the globe in seconds instead of wasting hours in airports and on planes. It is simple, cost effective and doesn't require advanced scheduling or a technician—not to mention a passport or plane ticket.

Be Present.

InfiniteTelepresence combines an immersive, high definition video experience that delivers a powerful, flexible and easy-to-use video communication solutions.

InfiniteTelepresence High Definition Video Communication

Clear, Simple, Intuitive. Our comprehensive product suite enables high definition video communications that makes voice, and physical expressions come to life. InfiniteTelepresence offers a complete range of quality high definition video communication solutions that are absolutely simple to use. Share multimedia in high definition and connect to multiple sites around the world over standard networks.

Video System

InfiniteTelepresence delivers stunning High Definition quality video communications with true 1280x720 video resolution at 30 frames per second. High Definition resolution at 1Mbps, DVD quality at 512Kbps and cable TV quality at 384Kbps bandwidth. All InfiniteTelepresence products are standards compliant and can interoperate with nearly any video conferencing system.

Rich Audio Phone

An authentic telepresence experience requires high definition audio. Built with 16 omni-directional microphones, InfiniteTelepresence Phone delivers revolutionary audio conferencing sound quality and room coverage. Dial audio or video calls from the phone interface.
